## **HOW DO WE COLLECT AND HOLD PERSONAL INFORMATION?**

We collect some personal information about our pupils and their families/carers/legal guardians during a pupil's application process to the school.

We will sometimes collect additional information from third parties such as the Education Authority, Department of Education, examination board or previous school attended by a pupil.

We mainly collect personal information about our pupils and their families/carers/legal guardians throughout the course of the pupil's time at the school, for instance when completing educational visit consent forms, from statutory curriculum assessments and throughout our relationship with a pupil when we are exercising our legal obligations as a public educational body and during our pastoral care.

### **Why we collect this information:**

To assist administrative processes including contacting parents in emergency, collating databases, monitoring attendance, taking decisions on enrolment, transfer etc.

All personal data is held digitally on our internal software (**SIMS**) which enables us to eg. easily collate pupil class lists and link with 'Parentmail' for text-messages, emails and payments. SIMS has many services within it which can also be used to identify academic trends, underperformance etc. A number of our 3<sup>rd</sup> Party services link directly into it eg. GL Assessment will use pupils' DOBs in calculating standardised scores.

### **Lawful basis on which we use this information:**

This information is required (and largely collected on behalf of) the Education Authority but we also need all of this information to carry out our statutory educational and Safeguarding responsibilities.

## **CONSENT**

Whilst the majority of the personal data provided to the school is required for us to comply with our legal obligations, some of that information is provided on a voluntary basis through parental consent (namely, a parent's/carer's/legal guardian's express agreement). Where we need consent (ie taking photographs/video images in school), we will provide the person with parental responsibility for a pupil with a specific and clear notice which explains the reasons why the data is being collected and how the data will be used. You should be aware if you do not consent to our collection of this type of data, this will not affect the standard of education we deliver to the pupil.

If we ask for your consent to use personal information, you can take back this consent at any time. Please contact the school if you would like to withdraw any consent you have given.

Please be aware that we do not need to obtain parental consent if personal data is to be processed for the purposes of obtaining counselling services for the child.

## **FOR HOW LONG IS THE INFORMATION STORED ?**

We will only keep personal information for as long as necessary to fulfil the purposes we collected it (for example, to educate and look after pupils) and including for the purposes of satisfying any legal, accounting, or reporting requirements.

We do not store personal data forever; we only hold pupil and family data for as long as we are legally able to do so. However, sometimes we will keep personal information for historical reasons (e.g. year group or sports team photographs) but you will always have a right to ask for it to be destroyed. This is a link to the Department of Education Document Retention and Disposal Policy which can be found at <https://www.education-ni.gov.uk/publications/disposal-records-schedule>. This will give you more information about how long we keep personal information.

In determining the appropriate retention period for personal information, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances we may anonymise your personal information so that it can no longer be associated with you, in which case we may use such information without further notice to you.

In addition, we limit access to your personal information to those employees, agents, contractors and other third parties who have a need to know. They will only process personal information on our instructions and they are subject to a duty of confidentiality.

Under certain circumstances, by law a parent/carer/legal guardian or a child over the age of 13 (who is considered competent to do so) has the right to:

However, we may charge a reasonable fee if your request for access is clearly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

You also have the right to ask us to delete or remove your personal information where you have exercised your right to object to processing (see below).
- **Object to processing** of personal information where we are relying on a legitimate interest (or that of a third party) and there is something about your particular situation which makes you want to object to processing on this ground. - **Request the transfer** of your personal information to another party, for instance a new school.
