## **Final Surfacing Works at Cullybackey Road – Woodtown**

### **Road Junction Improvement**

### **Monday 30 May to Friday 03 June 2016**

It is intended to carry out carriageway surfacing on the roadworks at the junction of Cullybackey Road and Woodtown Road during the week commencing Monday 30 May 2016. The surfacing works are expected to last for the entire week and the following traffic arrangements will be in place during that time:

#### **Monday 30 May to Wednesday 01 June 2016**

Traffic management will be the same as the current set-up through the roadworks, temporary traffic signals on Cullybackey Road and a one way closure on Woodtown Road (northbound) between Old Park Road and Cullybackey Road.

#### **Thursday 02 June & Friday 03 June 2016**

A full road closure will be in operation on Cullybackey Road, from the lay-by opposite no. 255 Cullybackey Road to the junction with Teeshan Road, between the hours of 9:15am and 4:30pm approximately. During this time a diversion route will be in operation, Cullybackey bound traffic will be diverted via Carniny Road / Woodtown Road / Old Cullybackey Road and Ballymena bound traffic will be diverted via Fenaghy Road / Galgorm Road (see plan overleaf).

#### **Further Details**

Your co-operation during the works has been much appreciated and we apologise for any inconvenience caused.

For general enquiries regarding the work please contact Department for Infrastructure, Design & Consultancy Services Tel : (028) 25662662
