5th September 2018

Dear Parent/Guardian,

FOCPS AGM- Thursday 13th September at 7pm Invitation to all parents

This year in school we are inviting all parents to come and take part in our FOCPS Annual General Meeting.

It will be held in school on Thursday 13th September at 7pm.

The FOCPS is a vital body, which plays a very active role in helping your children have the best possible educational experience. As a school we are simply indebted to the FOCPS for all their hard work and dedication. Without the work of the FOCPS, there are many things for which we would no longer have the funding in the current climate of budget cuts and tightening belts. Fundraising efforts such as the purchasing of a Defibrillator last year ensure the safety of our whole school community and is a tremendous achievement. The fundraising work of the FOCPS adds so much to our school.

The FOCPS also plays a crucial role in the life of the school by putting on many fun events and running competitions throughout the year. During last year, events such as Santa's grotto and the summer disco provided our children with many happy memories of fun enjoyable and engaging school events. As an organisation, it adds so much to our school community and it really is an essential part of school.

However, it simply couldn't run without the goodwill and generosity of all the parents and teachers involved. As such we need YOU! If you are a parent who has served on the FOCPS over the last number of years, THANK YOU! We value your contribution to our school and we would love to see you come back and continue your vital work this year.

If you are a parent who hasn't served on the FOCPS before, why not? You would be most welcome. This year is a great year to start. All are welcome to the AGM and we would encourage you all to get fully involved this year. If nothing else it is a good opportunity to get to know other parents and to make a real difference in your child's school.

Kind regards,

Ian Somerville
(Vice Principal)
